WHY I SUPPORT ELECTRONIC FRONTIER FOUNDATION

The internet is one of the planet's most useful resources. But in recent years, our online privacy, freedom and security have been the subject of systematic clampdown. Governments and ruling organizations are trying to jeopardise and monetize the digital world we rely on every day.

Dissidents, freedom activists, and those working to expose the attempted ownership of the internet are often persecuted by their governments—some are jailed for life.

HOW TPO IS HELPING

TPO Mobile lets you give 10% of your monthly bill to Electronic Frontier Foundation, the leading nonprofit organization defending civil liberties in the digital world, at no cost extra cost to you. Now when you use your phone you help a great cause at the same time!

Mark Epstein, TPO Mobile CEO

The cause champions user privacy, free expression, and innovation, and defends your ability to use the Internet as a platform for free expression.

They work to ensure that rights and freedoms are enhanced and protected as our use of technology grows.

WHY TPO MATTERS
